

SIKAPROOF A PRE-FIXED FORMWORK

*ALTERNATIVE SEALING METHOD

DRAWINGS MUST ALWAYS BE REVIEWED BY A DESIGN SPECIALIST AND IF NECESSARY MODIFIED TO ENSURE SUITABILITY FOR THE SPECIFIC APPLICATION.

The information contained herein and any other advice are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. The information may change in the application(s) and product(s) regularly referred to herein and is based on laboratory tests which do not represent practical tests. In case of change in the performance of the application, such as change in substrate etc., or in case of a different application, consult Sika Technical Service prior to using the products. The information contained herein does not release the user of the products from seeking them for the intended application and purpose. All advice are submitted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the Sika Product Data Sheet for the products described, copies of which will be supplied on request.
