DESIGNERS MUST ALWAYS BE REVIEWED BY A DESIGN SPECIALIST AND IF NECESSARY MODIFIED TO ENSURE COMPLIANCE WITH THE SPECIFIC APPLICATION.

The information contained herein and any other advice or opinion is given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. The information only applies to the application(s) and product(s) expressly referred to herein and is based on conditions which do not include adverse effects. In case of change in the conditions of the application, such as changes in substrate etc., or in case of a different application, Sika's technical service must be consulted prior to using Sika products. The information contained herein does not release the user of the products from testing them for the intended application and duration. All products are subject to their current terms of sale and delivery. Users must always refer to the most recent issue of the Sika Product Data Sheet for the product concerned, copies of which will be supplied on request.
