

SIKAPROOF A PIPE PENETRATION THROUGH RC WALL

*ALTERNATIVE SEALING METHOD

DRAWINGS MUST ALWAYS BE REVIEWED BY A DESIGN SPECIALIST AND IF NECESSARY MODIFIED TO ENSURE SUITABILITY FOR THE SPECIFIC APPLICATION.

The information described herein and any other advice or opinion is given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. The information only applies to the application(s) and product(s) expressly referred to herein and is based on laboratory tests which do not replicate real life. In case of change in the parameters of the application, such as change in substrate etc., or in case of a different application, Sika's technical service should be consulted prior to using the products. The information described herein does not show the job of the products from seeing them for the intended application and purpose. All systems are dependent on proper site and working. Sika's must always refer to the most recent issue of the Sika Product Data Sheet for the products concerned, copies of which will be supplied on request.
