# WELCOME TO SIKA'S COMPLETE PRODUCT GUIDE

**Your trusted partner for construction  
and industry solutions**

**Sika's Distribution team is part of Sika Ireland Limited, the Irish subsidiary of the worldwide Sika group. Established in 1995, but present in Ireland since 1930, Sika Ireland Limited is focused on supplying the Irish construction and industrial markets with quality products from our site in Dublin.**

Specialists in construction chemicals, Sika Ireland Limited offers access to a comprehensive portfolio of problem-solving products for a variety of applications including waterproofing, roofing, concrete repair, flooring and more.

As one of Irelands leading suppliers of sealants, adhesives and building chemicals, Sika embodies the construction industry, working closely with merchant partners to supply the trade with high quality products and technical expertise.

Bringing Sika's unrivalled innovation in product development, high standards of manufacturing and renowned technical advice into the merchant market, customers now have direct access to the complete product portfolio opening up new opportunities for the trade industry.

### SikaCeram® FlowFix

Porcelain Paving System

**SikaCeram® FlowFix is a high performance porcelain paving installation system, consisting of a bonding primer and jointing compound.**

SikaCeram® FlowFix Bonding Primer is used to provide an exceptional bond between porcelain paving and the bedding mortar. Mixed solely with water, SikaCeram® FlowFix Bonding Primer is applied with a brush or roller to the rear of the paving when laying, to prevent the paving system breaking away from the mortar bed.

SikaCeram® FlowFix Jointing Compound is a controlled, ementitious flowable jointing grout which is applied by mixing with water on site. SikaCeram® FlowFix Jointing Compound is poured over joints with ease and worked into other exposed joints by squeegee. Once dry the surplus is simply washed off. SikaCeram® FlowFix Jointing Compound is a highly workable product that is non-permeable once cured.

**Sika® Evercryl® One Coat**  
Roof Repair Compound

**Evercryl is a resin based, fibre re-enforced\* roof repair compound which is effective on all common roofing surfaces, giving instant roof repairs even in the wet and on wet surfaces. May also be applied in frosty conditions down to -5°C.**

Evercryl is instantly waterproof when applied, there is no fear of wash off so emergency leaks can be tackled immediately as there is no need to wait for the rain to stop. Evercryl is brush applied and dries to a smooth seamless flexible membrane which resists algae and fungal growth. Because of the high level of fibre reinforcement, Evercryl will bridge small cracks and requires only a one coat brush application to give instant and total water protection, even in areas subject to ponding. Evercryl requires no primer on sound non-porous surfaces. Specifically designed for the following applications: general sealing, maintenance, repair and waterproofing of most common roofs in wet or dry conditions – for use on concrete, fibre/cement, roofing felt, mastic asphalt, existing bituminous roof coatings, rigid PVCu, corrugated iron, metals, slates, brickwork, tiles, lead, copper and zinc.

**An easy to use, all weather roofing system ideal for waterproofing flat or pitched roofs.**

An easy to use, all weather roofing system ideal for waterproofing flat or pitched roofs. SikaRoof® Liquid Membrane is a one-component, fast curing, polyurethane based waterproofing system for flat and pitched roofs. Applied in two coats by brush or roller, SikaRoof® Liquid Membrane creates a solid, seamless, waterproof membrane that remains permanently flexible, making it the ideal solution for new installations, the refurbishment of old or to overlay most common roofing substrates.

SikaRoof® Liquid Membrane comes ready to use and is cold applied by brush or roller, using moisture in the air to cure meaning no additional catalyst is required. And what's more, it will cure in many weather conditions becoming completely rain resistant in just 10 minutes, even if a pool of water forms on top of it.

Suitable for use on a variety of substrates, SikaRoof® Liquid Membrane is compatible with concrete, mortar, stone, fibre cement, roof tiles and metals. Not only that but it can also be applied to wood, asphalt, roofing felt and bituminous coatings with the use of full reinforcement in the form of Sikalastic Fleece-120.

MOISTURE CURING TECHNOLOGY  
– NO CATALYST REQUIRED

FOR NEW ROOFS AND  
REFURBISHING OLD ROOFS

**STEP ONE**

Ensure all surfaces are sound, clean and free from dust and loose friable material.

**STEP TWO**

Apply the first coat of SikaRoof® Liquid Membrane liberally at a thickness of 1mm, by brush or solvent-resistant roller.

**STEP THREE**

If required, apply Sikalastic Fleece-120 on top of the first coat whilst still wet, overlapping the edges.

**STEP FOUR**

Apply a second coat at a similar thickness to the first, immediately after laying the fleece.

# TERMS AND CONDITIONS

Standard terms and conditions of sale for goods sold by Sika Limited.

## 1. General

The following terms are the Company's standard conditions of sale. The Company concludes Contracts or the supply of goods only subject to these terms and the Buyer seeking to be supplied with goods by the company accepts that these terms shall govern relations between himself and the Company to the exclusion of any other terms including conditions warranties and presentations written or oral express or implied even contained in any of the Buyer's documents which purports to provide that the Buyer's own terms shall prevail.

## 2. Variations

No variations of these terms or any quotation or of any contract shall be valid unless and until agreed to in writing by a Director or the Company Secretary of the company.

## 3. Quotations

Quotations by the Company are not offer's capable of immediate acceptance by the Buyer but are invitations of treat only. All drawings, technical details and particulars of weights and dimensions submitted with the quotations are approximate only. No property shall pass to the Buyer in the documents forming or accompanying a quotation or in any of the material contained therein. If no order based on the quotation, accepted by the Company, the Buyer shall return to the Company all documents and other materials concerned free of charge to the Company on request. All information in and relating to the quotation shall be confidential and shall not be passed without permission of the Company, to any third party, and shall be disclosed only to those employees of the Buyer to whom such disclosure is reasonably necessary. Unless and until an order based on the quotation is accepted by the Company the Buyer shall make no use in its business of the information contained therein except for purposes of determining whether to place an order. The company shall be free to accept or refuse an order for any reason whatsoever.

## 4. Orders

Orders only become binding on the Company by its submitting to the Buyer confirmation of order or submitting an invoice. Expressions used by the Buyer much as "as previously supplied" or expressions to the similar effect shall be understood to refer only to the quality and not to the previous price.

## 5. Price

The price or charges specified in any quotation are related to the Company's costs of manufacturing, obtaining, and paying for goods, parts or materials prevailing at the date thereof. In the event of there being an increase in such costs caused by any reason, including increases attributable or alterations in tax or duty or in the exchange rates of any currency, the company shall be entitled to vary its prices or charges from those quoted whether such increase was or should have been foreseen by the Company at the date of the quotation. All prices quoted exclude VAT and any costs of freight and insurance for deliveries outside Ireland unless otherwise specified. The VAT rate applicable shall be the rate prevailing on the date on invoicing.

## 6. Packing

Delivery is made only in the product containers held in stock at the time the order is processed. All prices quoted include packing material unless otherwise specified. Where packing is expressly stated to be in returnable containers or the cost of packaging materials is separately invoiced the Buyer shall be credited with the full value of those materials as invoiced to him provided that they are returned carriage-free or without my charges to the Company, and in the opinion of the company in a satisfactory condition to the dispatch points from which they were supplied unless otherwise specified in the Company's price list, quotation, delivery note or invoice. For packaging materials on loan, the conditions as mentioned in the Company's prevailing price list and or quotation shall apply.

## 7. Time of Delivery

The Company shall be entitled to deliver goods supplied pursuant to any order by the Buyer on any weekday during normal working hours after the period for delivery has commenced.

## 8. Period of Delivery

Where a quotation or any other document or notice issued or sent by the Company indicates a specified delivery period for any goods the period shall be understood to run from the date of confirmation of the relevant order provided that any such specified periods are nevertheless estimates only and shall not be of the essence of the Contract and in the event of the Company for any reason whatsoever not being ready to make delivery within the period specified (or if none be specified within a reasonable time) it shall not be liable for any loss or damage whatsoever sustained by the Buyer as a result of such delay.

Without prejudice to the foregoing in the event of the Company not being ready to make delivery at the time specified (or if none be specified, within a reasonable time) the Buyer shall thereupon be entitled to give one month's notice in writing calling for delivery and in the event of the Company remaining unable to make delivery within such a period the Buyer may at the expiry thereof by a further notice in writing cancel the Contract in relation to all undelivered goods subject to it being a condition precedent to the Buyer's right to cancel that he shall first have paid all sums due in respect of goods already delivered under the Contract. For the avoidance of doubt and without prejudice to the Buyer's entitlement to cancel described above the Buyer shall have no other rights whatsoever in relation to any failure by the Company as aforesaid.

## 9. Storage

If the Buyer gives the Company not less than seven days' notice the Company is prepared to store goods. The Company reserves the right to make storage charges for such goods. If the Buyer has not arranged for removal of the goods after twelve months storage the Company shall be entitled to give one month's notice to the Buyer that it intends to dispose of the goods and unless within that one month the Buyer removes the goods from storage the Company shall be entitled to dispose of all or any portion of such goods privately by auction or otherwise and without prejudice to the provisions of Paragraph 18 to set off against the proceeds the above storage charges and all costs in and about affecting such as sale. The provision of this paragraph shall apply irrespective of whether the property in the goods shall have passed to the Buyer. Removal of goods to storage on behalf of the Buyer under this paragraph shall be deemed to be a delivery to the Buyer.

## 10. Dispatch

The method of transport of the goods shall be at the sole discretion of the Company. All necessary unloading facilities shall be provided by the Buyer at his expense at the time the Company is ready to make delivery.

## 11. Quantities

The Company shall be entitled to deliver the goods in a single delivery or by instalments as it sees fit. The Buyer shall not be entitled to reject any consignment of goods supplied by the Company on the grounds that the quantity supplied is below the quantity ordered and provided that the Buyer notifies the Company and the carrier of the shortage within three working days of delivery the Company shall be responsible for supplying the balance of the goods required to bring the aggregate to the quantity ordered or for giving the Buyer credit for the goods not delivered. Each part delivery constitutes a separate contract. All weights or volumes are ascertained at the time of the filling of the containers used and all invoices are calculated thereon.

## 12. Insurance and Risk

- (i) Unless otherwise agreed in writing between the parties but subject as hereinafter provided the risk of loss or damage to the goods shall pass to the Buyer upon delivery to the Buyer and the Company will insure accordingly.
- (ii) Notwithstanding sub-paragraph (i) above in the case of goods to be collected by the Buyer or by a carrier engaged by the Buyer all risk of loss or damage howsoever caused shall pass to the Buyer on whichever of the following events occurs earlier:
  - (a) collection of the goods by or on behalf of the Buyer or
  - (b) seven days from the date of the Company's written notice that the goods are ready for collection; and the Buyer should insure accordingly.
- (iii) The Company shall be entitled to charge for storage of the goods after the expiry of the seven-day period referred to in sub-paragraph (ii)(b) above and the provisions of Paragraph 9 above shall apply.
- (iv) Where for any reason the Buyer believes that the risk of loss or damage to the goods arising in transit lies with the Company the Buyer shall carefully examine the goods on receipt and shall notify the Company in writing:
  - (a) in the case of loss of the goods within three working days of receipt of a delivery note issued by the Company in respect thereof; and
  - (b) in the case of damage of the goods within three working days of delivery of the same and furthermore in the case of damage the packaging material and contents of packages must be retained by the Buyer for examination by the Company or by the carrier or their agents. In the absence of receipt of such written notice within the prescribed time limit the Company shall be discharged from all liability in respect of loss or damage to the goods arising in transit.

## 13. Payments

- (i) All prices and charges are strictly net, and payments shall be made without any discount or other reduction and without any deferment on account of any disputes or cross claims unless otherwise agreed by the Company in writing.
- (ii) Payments unless otherwise agreed shall be made by the thirtieth day following the date of the Company's invoice. The sub-clause is subject to and governed by the terms of sub-clause (iv) below.
- (iii) Cheques, money, and postal orders should be crossed and made payable to Sika Ireland Limited.
- (iv) The Company may at its discretion require at any time that all or part of the purchase price or other charge be paid in advance or on account and the sums so demanded shall be immediately payable by the Buyer, the balance remaining payable as otherwise provided hereunder and the Company may decline to make deliveries of any such goods except upon such payment or upon receipt of other security satisfactory to the Company.
- (v) Should the Buyer default in payment for whatever reason on the due date of any sum without prejudice to any other right which the Company may have the Company shall be entitled to claim interest at a maximum of 3% p.a. above the AAA rate charged by A.I.B. Bank on such sum accruing from the due date.
- (vi) All payment shall be credited towards the oldest invoice due and its ancillary charges. Prepayments by cheque or Giro shall be deemed to have been made when the amount is at the Company's disposal unconditionally, payment by bill of exchange when the bill has been cashed. Any bank charges incurred are to be paid by the Buyer. The Company reserves the right to refuse bills of exchange.

# TERMS AND CONDITIONS

Standard terms and conditions of sale for goods sold by Sika Limited.

103

## 14. Property

- (i) Subject to Condition 14 (ii) but notwithstanding delivery and the passing of risk in the Goods or any other provision of these Conditions, the property in the Goods shall not pass to the Buyer until the Company has received in cash or cleared funds payment in full of the price of the Goods and all other goods agreed to be sold by the Company to the Buyer for which payment is then due without any deduction or deferment whether on account of any dispute or cross claim or otherwise. In the case of the company accepting tender of a cheque, bill of exchange or promissory note the sum paid thereon shall not be deemed to have been wholly paid until the said cheque, bill of exchange or promissory note has been honoured.
- (ii) Until such time as the property in the Goods passes to the Buyer the Buyer shall hold the Goods as the Company's fiduciary agent and bailee, and shall keep the Goods separate from those of the buyer and third parties and properly stored, protected and insured and identified as the Company's property. Until that time the Buyer shall be entitled to resell or use the Goods in the ordinary course of its business but shall account to the Company for the proceeds of sale or otherwise of the Goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any monies or property of the Buyer and third parties and, in the case of tangible proceeds, properly stored protected and insured. In the event of the Buyer bona fide in the course of the business carried on by it selling, letting, hiring out or otherwise disposing of the Goods the property in the Goods shall pass to the Buyer immediately before such sale, letting, hiring out, disposal or use. Until such time as the property in the Goods passes to the Buyer and provided the Goods are still in existence and have not been resold the Company shall be entitled at any time to require the Buyer to deliver up the Goods to the Company and if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the Goods are stored and to repossess the Goods.
- (iii) In repossessing the Goods under the previous condition, the Company may if necessary, detach or remove the Goods from any other goods. The Buyer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Company but if the buyer does so all monies owing by the Buyer to the Company shall (without prejudice to any Other right or remedy of the Company) forthwith become due and payable.
- (iv) Until the Buyer has paid the Company for the Goods and all other Goods, which the Company has supplied to the Buyer:
- The Company may trace the proceeds of Sale that the Buyer receives into any Bank or other account which the Buyer maintains.
  - If the Buyer sells the Goods the Company may, by written demand require the Buyer to assign to the Company the Buyer's rights to recover the price from its purchaser.
  - The Buyer shall not assign to any other person any other rights arising from the sale of the Goods without the Company's written consent.
- (v) In respect of goods and the products belonging to the Company the Buyer shall inform the Company without delay of any interference by a third party with the Company's interest in the goods and in the case of restraint shall at the same time lodge a plea of opposition in the Company's name with the restraining creditor.

## 15. General Liability

- (i) The Buyer relies on his own skill and judgment as to the sufficiency capacity and performance of the goods and shall in addition take all reasonable steps to ensure the suitability of the goods for any purposes for which the same are required by the Buyer.
- (ii) The Buyer shall before using any goods the subject of the contract, and before parting with possession of the same take all reasonable steps to test and examine the same to satisfy himself that the goods are of the contractual quality and description and are suitable for the purpose for which they are intended to be used.

(iii) Save as provided below, the contractual rights which the Buyer enjoys by virtue of sections 12, 13, 14 and 15 of the Sale of Goods Act, 1893 are in no way prejudiced by these conditions.

(iv) The Company's liability for any breach of any condition warranty or term whether express or implied and whether implied by virtue of the Sale of Goods Act, 1893, the Sale of Goods and Supply of Services Act, 1980 or otherwise shall be defined and limited to, at the Company's option:

(A) Where the breach would have become apparent had paragraph (ii) been properly complied with by the Buyer to

(a) Replacement of the goods by the Company; or

(b) Acceptance of the return of the goods and crediting the Buyer with the price thereof; or

(c) Making the Buyer an allowance against the price of the goods representing the difference between the value of the goods in their condition as delivered and the Contract Price.

Provided the Buyer notifies the Company in writing of any complaint concerning the goods delivered prior to the Buyer parting with possession of the goods or using the same.

(B) where the breach would not have become apparent had paragraph (ii) been properly complied with by the buyer to a sum not in excess of the amount of the Company's public liability insurance cover in respect of such breach as from time to time in force, provided that the buyer notifies the Company in writing within fourteen days of becoming aware of the defect or receiving any complaint concerning the goods whichever is the earlier and further provided that the goods have been used in accordance with the instructions for use thereof.

For the avoidance of doubt save as aforesaid:

(a) the Company shall be under no liability whatsoever for any breach of contract whether by an express or implied term howsoever arising and whether amounting to a repudiation or a fundamental breach or not and whether negligent or not and shall only be liable as aforesaid provided the Buyer has taken the necessary steps within the necessary time;

(b) the Company shall be under no liability in contract tort or otherwise for any injury loss or damage of whatsoever kind howsoever caused or for anything done or omitted in connection with the goods or work in connection therewith or any defect (inherent, latent or otherwise) which may exist or subsequently develop save that the Company shall be liable for any death or personal injury which results from its own negligence, or that of its employees, servants or agents.

(c) the Buyer shall indemnify the Company against all actions, claims or demands by third parties in tort or otherwise arising directly or indirectly in connection with the use, functioning or state of the goods.

(d) the Company shall not be liable to the Buyer for any sums whether by way of compensation for loss or damage or otherwise and whether direct or consequential and whether for loss or profit of the Buyer or any third party **AND THE BUYER IS ADVISED TO INSURE AGAINST ALL POTENTIAL RISKS.**

(v) Any order, receipt, delivery note, invoice or other document whether issued by the company or by the buyer and purporting to be signed on behalf of the buyer by any of its servants, employees, agents or sub-contractors

shall be deemed to be signed with the authority of the buyer.

## 16. Sub-Contracting

The Company shall be entitled to sub-contract all or any of their obligations out of any quotation or order made in consequence thereof.

## 17. Forced Majeure

Should the performance of the Company or any of its obligations under the Contract be prevented, hindered or delayed whether directly, indirectly or otherwise howsoever by or in consequence of an event of war, an outbreak of hostilities (whether or not involving Ireland and whether war is declared or not) rebellion, riot, acts of providence, strikes, lock outs, trade disputes or other labour difficulties, breakdown, delays in transport, accident, fire, delay in delivery or raw materials or

components or any other cause reasonably beyond control, or in the event that despite all reasonable efforts having been made the Company is unable to obtain any necessary licenses, consents or authorities for the exportation or importation of or payment for any goods, or in the event of national emergency, or if the Company's works should become either directly or indirectly so engaged on Government contracts or contracts under priority directions so as to prevent, hinder or delay work on other contracts, the Company shall be entitled at any time, on notice to the Buyer, to make partial deliveries only or to determine the contract without liability and without prejudice in any case to rights which have already accrued to the Company in respect of deliveries already made.

## 18. Lien

Without prejudice to any other right which the Company may have, the Company shall be entitled to exercise a general lien or right of retention of all goods in the Company's possession, which are, or are intended to become, the Buyer's property in regard to all debts, damages or other sums due to the Company under any Contract whatsoever between the Company and the Buyer and/or in the event of the insolvency of the Buyer and pursuant to such lien or right, the Company shall be entitled without notice to the customer to see all or any portion of such goods privately, by auction or otherwise, and to keep the proceeds in diminution or such debts, damages or sums and of all costs and expenses incurred in and about effecting such a sale.

## 19. Waiver

No time or other indulgence granted by the Company to the Buyer shall operate or be deemed to operate and a waiver or suspension of the Company's rights under these Standard Conditions.

## 20. Customs, Duties etc.

Without prejudice to paragraph 5 above, all customs or other duties or taxes whatsoever which may be levied on the goods in any territory shall be borne by the Buyer provided always that the Company shall be entitled (but shall be under no obligation) to pass to the Buyer the benefit of any arrangements made with Authorities for the release of goods under bond in which event the Buyer shall indemnify the Company in respect of its costs and expenses thereof and in regard to all other payments which may fall due including any penalties, fines or forfeitures incurred in connection therewith.

## 21. Industrial Property Rights

The Company does not warrant the goods supplied to any order will be free from infringement of industrial property rights including without limitation patents and registered designs, or third parties. The Company cannot give any assurance of the non-existence of any possible rights of third parties in relation to processing an application of the Company's products, nor accept any liability for damage or costs to the Buyer or any third party if such rights exist.

## 22. Trade Marks

The Buyer undertakes to respect all trademarks of the Company and in particular where any such trademark is on goods supplied it undertakes:

- Not to alter remove or obliterate such trademark either partly or wholly
- Not to apply any other trademark to the goods
- Not to apply to the goods any other matter in writing that is likely to injure the reputation of the trademark

## 23. Notices

Any communications or notices under the Contract between the Company and the Buyer may be made or given by sending the same by ordinary paid first class post, in the case of the Buyer to his last known address and in the case of the Company to its Dublin office and if so sent shall be deemed to have been made or given on the date when it was posted.

## 24. Proper Law and Jurisdiction

Any contract between the Company and the Buyer shall be governed by Irish Law and subject to the jurisdiction of the Irish Courts.
