

SIKAPROOF A ON SHEET PILE (OPTION 1)

DESIGNER MUST ALWAYS BE REVIEWED BY A DESIGN SPECIALIST AND IF NECESSARY REDESIGNED TO ENSURE SUITABILITY FOR THE SPECIFIC APPLICATION.

The information described herein and any other advice and plan to guide, both based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. The information only applies to the application(s) and product(s) expressly referred to herein and is based on conditions other than the one stated herein. In case of changes in the parameters of the application, such as changes in substrate etc., or in case of a different application, consult Sika's Technical Service prior to using Sika products. The information described herein does not release the user of the products from seeing them for the intended application and duration. All products are subjected to the current terms of sale and warranty. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
