

SIKAPROOF A EDGE SHEET DETAIL TO PILE

ENGINEERS MUST ALWAYS BE INFORMED BY A DESIGN SPECIALIST AND IF NECESSARY MODIFIED TO ENSURE SUITABILITY FOR THE SPECIFIC APPLICATION.

The information contained herein and any other advice are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. The information only applies to the conditions and products as specified and is based on conditions which do not involve unusual risks. It is not intended to be used in the design of structures, such as changes in substrate, or in case of a different application, without Sika's technical advice prior to using Sika products. The information contained herein does not release the user of the products from liability for the intended application and duration. All details are detailed subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the Sika Product Data Sheet for the product concerned, issues of which will be supplied on request.
