DIMENSIONS MUST ALWAYS BE REVIEWED BY A DESIGN SPECIALIST AND IF NECESSARY MODIFIED TO ENSURE SUITABILITY FOR THE SPECIFIC APPLICATION.

The information contained herein and any other details are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. The information only applies to the conditions and products expressly referred to herein and is based on laboratory tests which do not include practical tests. In case of change in the parameters of the conditions, such as change in substrate etc., or in case of a different application, consult Sika's Technical Service prior to using Sika products. The information contained herein does not release the user of the products from testing them for the intended application and duration. All orders are considered subject to our current terms of sale and delivery. Sika must always refer to the most recent issue of the Sika Product Data Sheet for the product concerned, notice of which will be supplied on request.
