

PRODUCT DATA SHEET

Cromar[®] Wall Fillet Trim

Wall Fillet Trim is an angled fillet trim for use against a butting wall or parapet.

PRODUCT DESCRIPTION

Cromar[®] Wall Fillet Trim in both D260 and D300 sizes are made from glass reinforced plastic offering high strength and excellent long-term durability characteristics, designed for use where flat roofs butt up against existing walls or parapets.

This is a Glass Reinforced Polyester flat roof system designed and engineered for flat roof applications. Fully integrated all in one system where the components work together on virtually all types of flat roofs and vertical surfaces in any domestic or commercial application to provide the perfect all weather protection.

USES

- Used where a flat roof butts against an existing wall.
- Compatible with C2, C3 Internal and C3 External corner trims.

PRODUCT INFORMATION

Packaging	10 lengths of 3 m banded together.
Colour	Grey
Shelf Life	Shelf life has not been determined due to the longevity of plastic items.
Storage Conditions	The product must be stored undamaged in packaging, in dry conditions at temperatures between +5 °C and +30 °C.

CHARACTERISTICS / ADVANTAGES

- Consistent weight and thickness.
- Excellent finish and appearance.
- High strength and flexibility.
- Excellent long-term durability.
- Easy jointing.
- Facilitates roof void ventilation.
- Unique high adhesion finish.
- U.V. stabilisation.

Dimensions

	Characteristic	Units	Value
Profile D260	Length	mm	3000
	Width	mm	70
	Height	mm	100
Profile D300	Length	mm	3000
	Width	mm	70
	Height	mm	170

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

REGULATION (EC) NO 1907/2006 - REACH: This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in this product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0.1 % (w/w).

APPLICATION INSTRUCTIONS

APPLICATION METHOD / TOOLS

Place the trim against the wall making sure it sits squarely, fix in place to decking NOT the wall using ring shank nails /clout nails at 150 mm - 200 mm centres. Where the fillet angle trim needs to be joined by overlapping, use a bead of trim adhesive across the whole width of the trim.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
