

PRODUCT DATA SHEET

EVERBUILD® Silicone Spray

DRY SILICONE LUBRICANT AND MOULD RELEASE AGENT

PRODUCT DESCRIPTION

EVERBUILD® Silicone Spray is a dry silicone lubricant and mould release agent for the easing of friction between two surfaces. Ideal for use in mould making/release industries, to ease installation of rubber and EPDM gaskets to window and door frames and has 100's of uses around the home, garage, workshop and industry.

USES

- Multitude of uses in the mould making and mould release industries
- Making easy the installation of EPDM gaskets to window and doorframes.
- Restoring the black gloss finish to car vinyl trim without the need for polishing
- As a general high quality spray lubricant.

CHARACTERISTICS / ADVANTAGES

- Enables friction to be reduced between most surfaces
- Eliminates noise and squeak
- Leaves a bright gloss finish to vinyl
- Non stick and colourless.

Packaging	400ml Aerosol
Shelf Life	12 months.
Storage Conditions	Store in original packaging away from direct sunlight and sources of ignition between 5 and 25°C.
Consumption	COVERAGE: 120-250g/m ²

APPLICATION INSTRUCTIONS

APPLICATION METHOD / TOOLS

Shake the can and spray as required directly onto surface(s) to be lubricated. When used as a mould release agent, spray liberally onto mould and allow to dry.

LIMITATIONS

Do not ingest. Pressurized container – Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn even after use. Do not spray on a naked flame or incandescent material. Test small area of surface to be coated for compatibility before use. As the manufacturer cannot know all the uses its products may be put to, it is the users responsibility to determine suitability of use. If in doubt, con-

tact Technical Services Department for advice.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

Consult MSDS for full list of hazards.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
