

Sikaplan® REINFORCING FLAT ROOFING

2024 sees Sika-Trocal S® single ply PVC membrane being replaced with Sikaplan® G.

Sikaplan® G offers further design options over Sika-Trocal® S all with the same exceptional durability and service that you would expect from Sika.

Contact us at www.sika.ie/roofing for Sikaplan® G, SGK, and SGmA specifications and details.
